

Johanna Hartke

Curriculum Vitae

Finnish Centre for Astronomy with ESO
Quantum, Vesilinnantie 5
20014 University of Turku
Finland
✉ johanna.hartke@utu.fi

Employment

- Nov. 2022–present **FINCA Fellowship, Finnish Centre for Astronomy with ESO, University of Turku (UTU), Turku, FI**
- 2018–2022 **ESO Fellowship, European Southern Observatory**
- 2021–2022 Secondment to the University of Oxford Sub-department of Astrophysics, Oxford, UK
- 2018–2021 ESO Paranal Observatory and Office for Science Vitacura, Santiago, CL
- 2015–2018 **IMPRS Studentship, European Southern Observatory, Garching, DE**

Education

- 2015–2018 **PhD in Astrophysics, Ludwig-Maximilians-Universität, München, DE**
International Max Planck Research School on Astrophysics (IMPRS), “magna cum laude”
- 2013–2015 **Master of Science in Astronomy, University of Groningen, Groningen, NL**
“cum laude”
- 2010–2013 **Bachelor of Science in Physics, Jacobs University Bremen, Bremen, DE**
GPA 1.6, awarded on a scale from 5 to 1 with 1 being the highest grade

Languages

German	Native proficiency	French	Limited working proficiency
English	Full professional proficiency	Spanish	Elementary proficiency
Dutch	Elementary proficiency	Finnish	Basic proficiency

Awards, Scholarships, and Grants

- 2023–present **FINCA visitor and mobility grants, Finnish Centre for Astronomy with ESO, 11k EUR**
Visits to INAF Capodimonte, IT and the University of Oxford, UK & invited research visits of Dr Ennis (U Waterloo, CA), Dr Iodice (INAF, IT), Dr Congiu (ESO, CL), Dr Gannon (Swinburne, AUS), Dr Ferré-Mateu (IAC, ES)
- June 2023 **IAU Grant for Symposium 384, International Astronomical Union, 800 EUR**
- 2022–2023 **Fellowship, German Scholars Organisation, ~11k EUR**
Full funding to attend GSO Leadership Academy VI 5-day workshops in Boston and Darmstadt
- October 2016 **IAU Grant for Symposium 323, International Astronomical Union, 600 USD**
- 2014–present **Telescope Time, 8m- and 4m-class facilities (including ESO VLT)**
36 hours as PI with MUSE, 25+ nights as Co-I with other ESO instruments, 20+ nights as Co-I at other observatories, one night of telescope observations is equivalent to ~60k EUR
- 2010–2015 **Scholarships for Academic Excellence, Studienstiftung des dt. Volkes (German Academic Scholarship Foundation), Jacobs University Bremen, DAAD (German Academic Exchange Service, ~62k EUR)**

Teaching and Supervision

- February 2025, **Spectroscopic diagnostics, University of Turku,**
March 2023 MSc-level guest lecture and exercise
- April 2024 **Optical System Applications, University of Turku,** MSc-level guest lecture
- April 2024 **Data Processing Techniques for Astronomy with ESO instrumentation, University of Turku,** MSc-level lecture and exercise
- February 2024 **NEON Observing School, Asiago Observatory,** MSc and PhD students

- July 2022 **ESO Summer Research programme**, *ESO Garching*, MSc-level lecture
- May 2022 **Invited lecture**, *University of Antofagasta*, MSc-level lecture
- April 2020 **ESOPy4.0: Python for people in quarantine**, *ESO Vitacura*, Workshop
- February 2020 **La Silla Observing School**, *La Silla Observatory*, MSc and PhD students
- Spring 2012 **Modern Physics**, *Jacobs University Bremen*, Teaching Assistance

Supervision of 1 ESO Studentship student (final-year PhD), **Co-Supervision** of 1 PhD student, 2 BSc- and 5 MSc-level internships at ESO, the University of Oxford, and the University of Turku (UTU): Current students:

- DPhil Student at the University of Oxford, co-supervised with Prof. M. Bureau
- MSc Student at the University of Cologne, co-supervised with Prof. P. Schilke and Dr M. Arnaboldi (ESO)
- MSc Student at UTU, co-supervised with Prof. S. Mattila and Dr H. Kuncarayakti

Publications

I have published 26 refereed publications in international journals (five as first author), and 24 non-refereed works (including current preprints and conference proceedings) and was the lead author of three press releases at international observatories. A full publication list can be found [at the ADS](#).

Conference Contributions and Seminars

Fourteen contributed and four invited talks at international conferences, eight conference posters, 18 seminars and colloquia at astronomy institutes in Europe and Chile. Selected talks:

- September 2023 **Invited talk**, *International Astronomical Union Symposium 384*, Krakow, PL
- July 2023 **Invited talk**, *European Astronomical Society Meeting 2023 – S10*, Krakow, PL
- March 2023 **Invited seminar**, *Helsinki Astronomy Seminar*, Helsinki, FI
- August 2020 **Invited seminar**, *Galaxy Evolution Seminar*, Oxford, UK

Service and Outreach

- 2023–present Referee for *Astronomy & Astrophysics Journal*
- 2022–present Member of the ESO Extremely Large Telescope and MICADO image reconstruction (PSFr) working groups
- 2020–present Expert panel member for telescope time allocation at several large observatories (e.g., ESO and the Hubble Space Telescope)
- 2019–present Member of Local and Scientific Organising Committees for several international meetings and conferences (such as the upcoming IAU symposium on *Massive Galaxies Across the Universe*)
- 2019–present Several popular science talks to school classes and other audiences & media interviews
- 2019–2022 ESO Chile outreach volunteer
- 2015–2018 ESO Garching Outreach & Supernova visitor centre volunteer
- 2014–2015 Volunteer at the Blaauw Sterrenwacht, Groningen

Training and Personal Development

- 2022–2023 GSO Leadership Academy: two 5-day intensive workshops on leadership, communication, and management practises in Boston (US) and Darmstadt (DE)
- 2015–2022 ESO-provided training and workshops through the students' and fellows' development programme, 1–2 day workshops on topics such as science communication, conflict management, presentation skills
